① orbit → well defined solid endophytic mass lesion centered at posterior chamber, near the optic disc or foveola.

S/S/O Retinoblastoma (ICR Sp B/C)

No choroidal invasion | exuberant extension.

RT → Mild enhancement is also seen involving optic nerve sheath in retrobulbar region

Admitted in RPC since 3/11/2025

→ Received Trj Aftiracore / Vanco
off Omracortil.

O/E

General health good Intractable & not co-operative.

PP = 98/min
RR = 22/min
PP/CP = ++/++

Ⓡ eye swelling ⊕ Not able to open.

+ erythema

Ⓛ eye - No white eye reflex.

C/S/B Dr. Poochha Seth

primary EORB

Ⓡ eye

HLA - weak positive

PC → Jockey 8 am

Both eyes to be removed surgically.

80/11/25

Quarantined

N/V on 27/12/25.

PC - drainage
Jockey

EORB
Subtotal excision
in part 9

UHID No 108714214 Signature _____

IRCH No _____ Name _____

(Medical Record Section)

Guidelines for Screening & Registration

1. SRs posted in screening OPD should review referral papers and take a joint decision regarding appropriate referral to clinic /OPD of IRCH.
2. Completely worked-up patients can be referred directly to specific organ /specialty based clinic and the remaining patients can be registered in respective OPD.
3. Patients referred directly to specific departments /clinics/faculty should be referred to respective department/clinic/faculty.
4. If there is a need, patient can be referred to specific OPD/ Clinic of main AIIMS.

Disclaimer : You have been screened in the Cancer Screening OPD and have been referred to the treating unit for registration and treatment appointments. The registration and treatment appointment will be given depending on the slot availability, as slots are restricted due to COVID-19. As cancer requires timely treatment and waiting may have adverse effect on patient's disease; patient is suggested/advised to explore treatment options at other AIIMS/ Regional Cancer Centre/State Medical Colleges and other Govt. Cancer facilities, in case there is delay in availability of slots at Dr. BRA IRCH.
